

# *Our Mission*

St Pauls Medical Group is dedicated to the task of providing quality affordable health care to the community.

A place where each individual is treated with dignity and respect regardless of their ethnicity or economic situation.

# *Privacy Policy*

In accordance with Health Information Patient Privacy Act (HIPPA), St Paul's Medical Group maintains all personal and medical information in the strictest confidence. This notice contains how your medical and personal information may be used and disclosed and how you can access this information. Please review it carefully.

All medical records will be stamped "Confidential for authorized Personnel Only", maintained in a secure area, and not left unattended in an area accessible to other than authorized personnel.

No information will be released to any institution or provider without a signed "Release of Information" except when required by law under a subpoena or court order.

All documents containing patient information, such as name, date of birth, social security #, address, etc, will be maintained or disposed of in a secure manner.

Written requests for changes to the written record will be reviewed by staff and granted if it is legal and does not interfere with good medical practice.

If you have any questions or concerns, contact the office staff.
